Dear Mr. Paladino:

With deepest appreciation for your kind generosity please accept my personal gratitude for your financial support of the Flight 93 National Memorial project. The partnership of federal, state, and local authorities, as well as community and family members, has accomplished much since the dark days of September 2001 brought us together with the common purpose of memorializing the passengers and crew of Flight 93.

It was not only their courageous actions that we remember, but the democratic spirit that impelled them to band together for the greater purpose of saving rather than taking life.

With your help and that of thousands of like minded citizens we will complete this memorial. It will stand in perpetuity to honor, not only the heroes of Flight 93, but the democratic spirit of all freedom loving peoples.

Thank you,

Betty Kemmerer  
(daughter of Hilda Marcin)
